

VERITAS Power Stitch PRO - Maximum power for leather & jeans

Discover the powerful VERITAS Power Stitch PRO - the ultimate sewing machine for all your leather-works and heavy fabrics! With its powerful 90 watt motor and a powerful gear ratio, it offers maximum stitching power and ensures perfect seams. The 17 stitch programmes allow a variety of stitch types to be sewn cleanly and precisely.

The sewing machine is also perfect for beginners as it is easy and clear to operate. The sturdy aluminium frame ensures stability during sewing and the long-lasting LED lamp provides a perfect view of the sewing surface. With the included non-stick foot, leather and denim threads, fabric scissors and denim and leather needles, you have everything you need for your sewing projects.

The power stitch foot allows you to glide effortlessly over thick fabrics and ensures optimal sewing pleasure. The VERITAS Power Stitch PRO effortlessly sews up to 6mm thick denim and canvas fabrics and genuine leather up to 5mm thick. Whether it's a chic leather jacket, a robust hiking backpack or upcycling projects from jeans - with the VERITAS Power Stitch PRO, sewing becomes your favourite creative hobby.
